

## Safe Work Australia Week 2011

### Register of workplace events and activities

## Manufacturing

Organisation	Activity
<b>BAE Systems Aust</b>	To be decided, but possibly a social based event to emphasise Health and Safety in the workplace...focusing on why we should practice OHS e.g. family, workmates etc.
<b>Blueprint Interiors</b>	first aid training
<b>Bradken Bassendean</b>	Blood donation drive Safety talks and toolboxes Safety recognition BBQ
<b>Capral</b>	We are going to hold an emergency evacuation drill. We are going to run a "spot the hazard" competition with the prize being morning tea or lunch purchased for the area that has reported on the most hazards. Promoting safety through posters on notice boards. Putting word sleuths/word scramble activities in the lunch rooms during the Safe Work Week, so that employees can complete and put in entries with a prize (to yet be determined) to be drawn on the Friday.
<b>Coogee Chemicals Pty Ltd</b>	Run a series of Toolbox Awareness topics relating to Emergency action and Response, including 2 training sessions and culminating in Snr 1st aid training on the Friday. Do you know what action to take if: Fire, Accident, Muster required, reporting Acid/Inc/Hazards, and Effective Site Radio Skills. Each dept to complete a series of questions relating to the topics above at their Tool box meetings during the week. Then submit the completed forms for dept recognition and prizes. Friday 21st - Snr First Aid training run onsite all day.
<b>Coromal Caravans</b>	We are going to have a week called 'wellness week' that focuses on employee health and safety. Some of the activities we are looking to include are a walking challenge, quiz on health and safety, health and safety poster and slogan competition, 'spot the hazards' competition, Health clinic with BMI testing, eye testing etc. We are also looking at including flu shots as part of the week and seminars on health and well being seminars.
<b>Fletcher International WA</b>	Set up hazard report boxes in work areas to raise safety

	<p>awareness.</p> <p>Construct and set up sign in workplace to advertise issues, Health and Safety Office will be targeting ..... and change the target every month.</p> <p>Take photos of people being proactive about safety - correcting hazards and looking out for their safety and / or others. Publish photos on noticeboard and company intranet.</p> <p>Hold a Site Evacuation Exercise.</p> <p>Workplace Innovation Award.</p>
<b>Mizco</b>	<p>We will be doing toolbox talks on our construction sites using the 10@10 subjects on the 18/10/11.</p> <p>We will be having a company TBT at our offices Friday the 07/10/11.</p>
<b>P&amp;N Beverages</b>	<p>take 10 @ 10 talks</p> <p>workplace inspection</p> <p>Safety Quiz</p> <p>In addition will also be conducting the Healthy Active Workplaces Survey, and will be holding some Evacuation training</p>
<b>Sandvik mining and construction</b>	<p>As a safety representative my major role and responsibilities are,</p> <p>Submit workplace inspection report to our safety manager.</p> <p>Attend the safety committee meeting and bring out all the safety issues for a decision making.</p> <p>Consult and communicate with my co workers regarding health and safety issues.</p> <p>Take 5 before doing any task.</p> <p>My planned event is to develop the safety culture and preventing sprains and strains inside the premises.</p>
