

Safe Work Australia Week 2011

Register of workplace events and activities

Professional, scientific and technical services

Organisation	Activity
ChemCentre	We plan to organise Safety related games for staff to participate in this will aim to get people taking about safety in a positive way and will encourage safety related discussion and awareness
ChemCentre	We plan to put on Safety Games for staff including thought provoking responses to scenarios and active participation exercises and games.
Environmental Health Directorate, Health Department	At this point in time, I have no planned activities but intend on organising something!!!! OSH is currently an undervalued and under-appreciated issue in our workplace. I am currently educating staff in becoming more involved with OSH and workplace safety etc. I will keep you guys up to date if required.
Orbital Australia PTy Ltd	Each day for 5 days we will hold a 10@10 Information Session with all employees. These sessions include: Basic Occupational Health & Safety Hazard Identification & Risk Management General Housekeeping Ergonomics & Manual Handling Building Evacuation Procedures
SGS Australia	We are planning to: <ol style="list-style-type: none"> 1. Conduct Workplace Inspections with our newly elected OHS Reps together with appointed Management Reps 2. Run sessions on Hazardous Manual Tasks or Hand Injury Prevention 3. Possibly run sessions on Incident Investigations for Supervisors and Managers
Veolia Environmental Services	Display of health & safety information - morning tea.
