State's most
valuable resource -
our workers

As a WorkSafe Inspector, you can honestly say you are making a difference.

We are looking to recruit WorkSafe Inspectors with considerable experience in occupational safety and health in the following industries:

- Manufacturing, Transport & Service (MTSIPOOL01)
- Construction (CNSTPOOL02)
- Plant & Engineering (PLEGPOOL03)

The role of the WorkSafe Inspector is important; by making workplaces safer, you contribute towards both saving lives and preventing much of the suffering that results from workplace injury and illness.

As part of our team, you will work with the community to deliver outstanding workplace safety, and undertake enforcement action to ensure health and safety laws are complied with.

Being a WorkSafe Inspector is not 'just a job' - it is a career that makes a real and valuable contribution to the safety and health of Western Australians.

Closing Date: Open ended pool – first round of assessments to take place soon after February 10th, 2012.

In return we can offer you:

- An annual salary package ranging from \$79,203 to \$87,536, dependent on skills and experience, inclusive of 9% superannuation. On 13 April 2012, this package range will increase to \$82,371 to \$91,037.
- Life-long learning and career development opportunities.
- Access to salary packaging options.
- Access to health and wellness programs.
- Flexible working arrangements, the ability to purchase extra leave and much more.

If you would like to know more about these exciting opportunities, please contact Chris Kirwin on (08) 9327 8675.
