

THINKSAFE COMMERCIAL FISHING PROJECT

ThinkSafe provides free safety and health advice to small fishing operators, seafarers and seafood businesses (less than 20 full time employees). ThinkSafe will arrange for an independent occupational safety and health consultant to visit you and prepare a simple safety action plan.

This is a confidential service and the consultant will not report back to WorkSafe on any aspect of your business.

To access this service, please complete the details below and fax or mail the form to:
